Please read these Terms carefully before using any of the Services. By accessing or using any Service, you agree to be bound by these Terms. If you do not agree to all the Terms, then you may not access or use the Services.

2. Eligibility and Acceptance

You must be at least 18 years old to use the Services. By accepting these Terms, you represent and warrant that: (i) you are at least 18 years old; (ii) you have not previously been suspended or removed from the Services; and (iii) your registration and your use of the Services is in compliance with all applicable laws and regulations.

3. Services and Integrity Solar Policies

Integrity Solar may make certain Services available to individuals who register for a Integrity Solar account ("Account"). You must provide

4. User Content

Some Services may allow you to upload content to your Account including photos, videos, audio files, comments or other materials ("User Content"). You retain ownership of your User Content.

You grant Integrity Solar a worldwide, non-exclusive, royalty-free, sublicensable and transferable license to use, reproduce, distribute, prepare derivative works of, display, and perform your User Content in connection with the Services.

You are solely responsible for your User Content and represent and warrant that you have all rights necessary to grant Integrity Solar the license rights in this section without infringing or violating third party rights. You agree to abide by our Content Policy when using or submitting User Content. Integrity Solar reserves the right to remove User Content from the Services at its discretion.

5. Fees and Payment

Some Services require payment of fees. You agree to pay all applicable fees based on Integrity Solar's payment terms. Integrity Solar may change its fees and payment policies for the Services by posting updated terms on its websites or within the applicable Services.

If Integrity Solar determines, in its sole discretion, that you have violated these Terms then we may temporarily or permanently ban you from the Services without notice. We may also block, restrict, disable, suspend or terminate your access to the Services at any time in our sole discretion.

7. Disclaimers and Limitations of Liability

The Services and all information, products and other content included in or accessible from the Services are provided on an "as is" and "as available" basis.

To the fullest extent permitted under applicable law, Integrity Solar disclaims all representations and warranties of any kind, whether

express, implied or statutory, regarding the Services and your use thereof.

Integrity Solar does not warrant that the Services will be uninterrupted, timely, secure, error-free or free from viruses or other harmful components.

Integrity Solar will not be liable for any damages arising out of your use of the Services. This includes direct, indirect, incidental, punitive and consequential damages.

You agree to fully indemnify, defend and hold harmless Integrity Solar and its officers, directors, employees and agents, from and against any and all claims, damages, obligations, losses, liabilities, costs and expenses arising from: (a) your access to or use of the Services; (b) your User Content; (c) your violation of these Terms; or (d) your violation of any third party rights.

9. General Provisions

These Terms constitute the entire agreement between you and Integrity Solar relating to their subject matter and supersede any prior version of these Terms.

These Terms do not create any third party beneficiary rights or any agency, partnership or joint venture.

Integrity Solar's failure to enforce a provision is not a waiver of its right to do so later.

If any provision of these Terms is found unenforceable then that provision will be severed from these Terms. The remaining Terms will remain in full effect.

Integrity Solar may assign any of its rights and obligations under these Terms.

These Terms are governed by the laws of the State of Delaware without regard to conflict of law principles.
